

# Rain

Drag-On

Ah, it's a happening thing  
And it's happening to you  
Full load and thunder  
Ribbons of blue  
Ice on the window  
Ice in my heart  
Filling with Thunder  
Every time we start

[Chorus]  
Its been raining for so long,  
Its been raining for so long.

Or is it a wonder  
The streets are dark?  
Is it any wonder  
We fall apart?  
Day after days strange rain falls down  
All over town rain coming

[Chorus]

Don't you go out in the rain  
Don't go out in the pouring rain  
If you go out in the rain  
We never have that time again

Is it any wonder the streets are dark  
Is it any wonder we fall apart  
All these feelings and seems so wrong  
Our ever memory were so strong  
Well its been raining for so long  
Its been raining I can't go on

Don't you go out in the rain  
Don't go out in the pouring rain  
If you go out in the rain  
We never have that time again

Don't you go out in the rain  
Don't go out in the pouring rain  
If you go out in the rain  
We never have that time again

Don't you go out in the rain  
Don't go out in the pouring rain  
If you go out in the rain  
We never have that time again
