

# Fixin to Thrill

Dragonette

Oh, no!  
Who's got you all dressed up in those clothes?  
Said, I don't know  
But you're gonna need some help out of those  
  
Oh you're alright, you're alright, you're alright  
But you smell like your mama is smoke  
So tell her, tell her  
You tell her I said hello

Oh we could do it any way you want  
We only like you cause you're cute and young  
You gotta work what daddy gave you, son  
Go on and show me that you know how to use it  
And do your duty

And get on the floor  
Don't make a fuss just do it  
Look out, I'm fixin to thrill  
We know you're one of us  
What's all the fuss? just do it  
Uh huh, I'm fixin to thrill

Yeah, the girls  
The girls, they're looking round for trouble all sorts  
And the boys  
They offer diamonds but they're giving them quartz

That's alright, it's alright, it's alright  
We'll get you something  
That you can't get at home  
And your mama, your mama  
She don't know what she don't know

So we could do it any way you want  
We only like you 'cause you're cute and young  
You gotta work what daddy gave you, son  
Come on and show me that you know how to use it  
And do your duty

And get on the floor  
Don't make a fuss just do it  
Look out, I'm fixin to thrill

Yeah do it...  
I'm fixin to thrill

And get on the floor  
Don't make a fuss, just do it  
Look out I'm fixin to thrill  
We know you're one of us  
What's all the fuss? Just do it  
Look out I'm fixin, I'm fixin to thrill  
...
