

I Get Around

Dragonette

9 am
In your bedroom
The radio alarm clock
Is set for soon
I know you friends
And you know mine too
You don't tell on me I won't tell on you
I get around
Seconds to your elevator
From the station
How can I resist
That kinda invitation
Second floor and I'm in trouble
Gotta get me back down to street level
I get around
Here I come when I better go
I say yes when I ought to say no
Here I come when I better go
I say yes when I ought to say no
Quietly slide away off the mattress
Find my clothing on the bed post
So I tip toe out of this mess
As I slip back into last night's dress
I get around
Put a little lipstick back on my face
Blow a little kiss to you from the doorway
Walk the hall right past the stair case
Take the elevator back down out of this place
I get around
Here I come when I better go
I say yes when I ought to say no
Here I come when I better go
I say yes when I ought to say no
I say yes when I ought to say no
I say yes when I ought to say no
I say yes
I say yes
I say yes
I say yes
I say yes
Say yes
Say ya
