

Lost Teenagers

Dragonette

We're not getting better at life
And acting like we care, if we get there on time
Movers, shakers, try to break us
What a crime
Well, they don't make us
They're the fakers, reading rhymes

No, we won't change, it's just our nature
We're gonna live like lost teenagers
Broken grown ups, fix it later
We're gonna live like lost teenagers
Oh oh, oh oh, oh oh
Lost

I double dare you to change your mind
Finding the meaning for a serious life
Gonna keep on being too young to ever really care
Yeah, we'll keep on acting too dumb to get us anywhere

No, we won't change, it's just our nature
We're gonna live like lost teenagers
Broken grown ups fix it later
We're gonna live like lost teenagers
Oh oh, oh oh, oh oh
Lost
Oh oh, oh oh, oh oh
Lost

I don't wanna chase that life
This life will never end
I just wanna waste our time
Staying wasted
I don't wanna chase that life
It's just like, yeah, we're living
I just wanna waste our time
Wanna waste, wanna waste our time

Oh oh, oh oh, oh oh
Lost

No, we won't change, it's just our nature
We're gonna live like lost teenagers
Broken grown ups fix it later
We're gonna live like lost teenagers
Oh oh, oh oh, oh oh
Lost
Oh oh, oh oh, oh oh
Lost

No, we won't change, it's just our nature
We're gonna live like lost teenagers
Broken grown ups fix it later
We're gonna live like lost teenagers
