

Royal Blues

Dragonette

I've tried every shape and size and color
No boots or shoes can seem to kick these royal blues
Staying sticky from my sizzlin' hot summer
Red hot for you has gone and turned to royal blues

Oh while we french kissed at the bus stop
The ground fell out under us
Drinking each other up
Like we were both a bottomless cup
Getting drenched in your sweat
Then the scent of our sex
And the next thing I know
I know I know I know
It all goes

Royal blues
And I'm getting it all over you
Royal blues
What's a girl to do
Royal blues
Are we cool or
Royal blues

I keep confusing friends and foes and lovers
But then again
Maybe I'm right the way I am
And when they all just fit to the same color
Oh royal blue
Do I just go
Better with you

We were so soft to the touch
And so deep in this love
Did we want way too much
Oh than we could ever give up
Still I'm drenched in your sweat
Then the scent of our sex
And the next thing I know
I know I know I know
It all goes

Royal blues
And I'm getting it all over you
Royal blues
What's a girl to do
Royal blues
Are we cool
Or Royal blues

Oh while we french kissed at the bus stop
The ground fell out under us
Drinking each other up
Like we were both a bottomless cup
Getting drenched in your sweat
Then the scent of our sex
And the next thing I know
I know I know I know

It all goes

Royal blues

Royal blues

What's a girl to do

Royal blues

Are we cool

Are we cool

Royal blues

And I'm getting it all over you

Royal blues

What's a girl to do

Royal blues

Are we cool

Or Royal blue

Are we cool

Or Royal blue
