

Cry Thunder

DragonForce

Time after time as we march side by side
Through the valleys of evil and the torturing souls,
Night after night, for the glory we fight,
In the kingdom of madness and the tales from the old

Death by our hands, for the higher command,
As the darkness surrounds us hear the cries as they fall
Fire burning steel and the tyrants will kneel
Hearts burning stronger with the power of the sword

Set sail for the glory,
Pray for the master of war (pray for the master of war)
Sunlight will fall by the wastelands,
Endless rise for the heroes before

Cry thunder!
Sword in his hand,
Titans of justice, fearless we stand
Cry thunder!
Strong in command
Blessed by the union, freedom of man

Reckoning day, for the demons we slay,
With the force of a dragon we will conquer them all!
Chaos still reigns devastation and flames
For the ultimate glory when the legacy calls

March on
Through the hellfire
Blazing for the darkness beyond (blazing for the darkness beyond)
Nightmare return of the thousands
Giving rise to the heroes once more

Cry thunder!
Sword in his hand,
Titans of justice, fearless we stand
Cry thunder!
Strong in command
Blessed by the union, freedom of man

Unholy darkness,
In the eyes of broken dreams,
Outside of the wasted and torn,
A land of tears still remains
Soldiers of destiny calling,
And the fallen will rise up again,
Conquer the forces of evil and fight to the end

Cry thunder!
Sword in his hand,
Titans of justice, fearless we stand
Cry thunder!
Strong in command,
Saviour of nations, freedom of man

Cry thunder!
Sword in his hand,

Warriors defending,
One final stand
Cry thunder!
Strong in command,
Blessed by the union, freedom of man

Blessed by the union of man
Cry thunder!
Yeah yeah
