

# Land of Shattered Dreams

DragonForce

Can you now imagine your life  
Desolate, detached, and all alone  
Your best friend is your desperation  
In a world of unbelievers  
How are we to keep our dreams alive  
Sometimes escape seems like the answer

Take one last chance  
A chance to start it over  
Somewhere, somehow  
A place we all belong

Within this land of shattered dreams  
Where the days seem never-ending  
Can you ask yourself tonight, what it means  
Can we really leave this world behind  
For just a moment in a lifetime  
And a chance to be free  
From our reality

Who said that what we all see  
Is exactly what we must believe  
Sometimes it's hard to know the difference  
In a world of mass illusion  
Who are we to question what is real  
Sometimes it feels like mass confusion

Take one last chance  
A chance to start it over  
Somewhere, somehow  
A place we all belong

Within this land of shattered dreams  
Where the days seem never-ending  
Can you ask yourself tonight what it means  
Can we really leave this world behind  
For just a moment in a lifetime  
And a chance to be free  
From our reality

Take one last chance  
A chance to start it over  
Somewhere, somehow  
A place we all belong

Within this land of shattered dreams  
Where the days seem never-ending  
Can you ask yourself tonight what it means  
Can we really leave this world behind  
For just a moment in a lifetime  
And a chance to be free  
From our reality
