

Through the Fire and Flames

DragonForce

On a cold winter morning
In the time before the light
In flames of death's eternal reign
We ride towards the fight

When the darkness has fallen down
And the times are tough alright
The sound of evil laughter falls
Around the world tonight

Fighting hard, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell
Bodies wasted on the shore

On the blackest plains in Hell's domain
We watch them as they go
Through the fire and pain and once again we know!

So now we're flying we're free
We're free before the thunderstorm
On towards the wilderness
Our quest carries on

Far beyond the sundown
Far beyond the moonlight
Deep inside our hearts and all our souls!

So far away we wait for the day
For the lives all so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!

As the red day is dawning
And the lightning cracks the sky
They'll raise their hands to the heavens above
With resentment in their eyes

Running back through the midmorning light
There's a burning in my heart
We're banished from a time in a fallen land
To a life beyond the stars

In your darkest dreams see to believe
Our destiny is time
And endlessly we'll all be free tonight!

And on the wings of a dream
So far beyond reality
All alone in desperation
Now the time has gone

Lost inside you'll never find
Lost within my own mind
Day after day this misery must go on!

So far away we wait for the day

For the lives all so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!

Now here we stand with their blood on our hands
We fought so hard, now can we understand
I'll break the seal of this curse if I possibly can
For freedom of every man!

So far away we wait for the day
For the lives all so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!
