

# Get It Together

Drake

Hello  
I've been hurt so many times  
It got to a point  
When I decided  
I can't do this anymore  
I need someone to hold me  
I need someone that needs me  
I need someone that loves me

You need me to get that shit together  
So we can get together  
You need me to get that shit together  
So we can get together  
You need me to  
You need me to

You know, we don't have to be dramatic  
Just romantic  
Do all the little things, little things  
That excites me  
And as your woman  
Give me a kiss goodnight  
On the phone  
When you're working late  
When you're out of town  
Tell me how much you need this  
Cause we deserve it  
We can be together

You need me to get that shit together  
So we can get together  
You need me to get that shit together  
So we can get together  
You need me to  
(Yeah, oh, oh, yeah)  
You need me to  
(Yeah, oh, oh, oh, yeah)  
You need me to
