

Hermès link, ice-blue mink
Tat on my ribs like I do not know what permanent is
They want me gone, wait for the kicker
Bury me now and I only get bigger
That's word to my nigga

Yeah, October Firm in the cut
Stay at the top like I'm stuck
That's just how I'm givin' it up
She wanna get married tonight
But I can't take a knee, 'cause I'm wearin' all white
Me and my broski are twins, but we don't look alike
I don't take naps
Me and the money are way too attached to go and do that
Muscle relax
That and a spliff put me right on my back, I gotta unpack
Virginia Black
I could go make enough money off that and not even rap
What's that? Facts?
Contract max, I gotta bring that shit back

Hermès link, ice-blue mink
Tat on my ribs like I do not know what permanent is
They want me gone, out of the picture
Bury me now and I only get bigger
That's word to my, word to my...

I'm so hot, yeah, I'm so right now
Who's not gang, bitch? Let me find out
Keep hearin' clicks when I'm talkin' on the iPhone
Feds in the city hate to see us on a high note
I switch flow like I switch time zone
Can't get Nobu, but you can get Milestone
I gotta do mansion 'cause I outgrew condo
Got a new Maybach, she wanna fuck on the drive home
Yeah, met her once and I got through
I'm never washed, but I'm not new
I know I said top five, but I'm top two
And I'm not two and I got one
Thought you had one, but it's not one, nigga, nah

Hermès link, ice-blue mink
Tat on my ribs like I do not know what permanent is
They want me gone, wait for the kicker
Bury me now and I only get bigger
That's word to my nigga
