

## Summer Games

Drake

I think you're changin' your mind  
Startin' to see it in your eyes  
I used to love a good surprise  
And now I'd rather know ahead of time  
You said "I love you" too fast  
So much for that, girl, summer just started  
And we're already done

Yeah, you say I led you on, but you followed me  
I follow one of your friends, you unfollow me  
Then you block them so they can't see you likin' someone just like me  
I expected more from you honestly  
Said you want a simple life and that's not me  
How you go from that to endin' up with someone just like...?  
How can you be angry on a night in July  
And be warm with me when it's freezin' outside  
You're confusin' me, don't have me wastin' my time

Yeah, you said "I love you" too fast  
So much for that, girl, summer just started  
And we're already done

I kept you decent, I kept you sane  
I kept it peaceful, don't lie  
I kept it decent, even the secrets  
Kept it between you and I  
Breakin' my heart, tearin' me apart  
Breakin' me down when I'm already down  
Breakin' my heart- breakin' my heart- breakin' my heart  
Breakin' my heart- breakin' my heart-  
Brea- brea- brea- brea- brea- brea- brea- brea  
Breakin' my heart, tearin' me apart  
Breakin' me down when I'm already down  
Breakin' my heart- breakin' my heart- breakin' my heart  
Breakin' my heart- breakin' my heart-  
Brea- brea- brea- brea- brea- brea- brea- brea

You said "I love you" too fast  
So much for that, girl, summer just started  
And we're already done  
How can you be angry on a night in July  
And be warm with me when it's freezin' outside
