

# Weston Road Flows

Drake

(One of them ones)

Right!

Weston Road Flows, I did this shit for my nigga Renny  
Back when we couldn't buy pizza cause we were down to pennies  
Feel like we go back a century runnin' the store for centuries  
Then bring it back to your brother man we had to respect it  
He was wavy doin' mixtapes out of your basement  
He let us hit the weed on occasion for entertainment  
Then he would leave us at the house and go out on a mission  
We probably would've got in less trouble just goin' with him  
Feel like I never say much but man there's a lot to know  
Feel like the difference between us really startin' to show  
I'm lookin at they first week numbers like what are those  
I mean you boys not even coming close  
I gave niggas like you a reason for celebration

You number one and I'm Eddie Murphy we tradin' places  
Lookin' in the mirror I'm closer than I really appear  
Creepin' like chilly without the tender love and care  
No tender love and care and no love and affection  
I got a price on my head but there's a risk to collect it  
I might be here as a vessel to teach people the lesson  
Feel like they wanted me dead but couldn't pull it together  
Yeah, but here we are and it's a new semester  
40 the only one that know how I deal with depression  
A couple nights where it started to feel like the feelings faded  
A lot of problems that couldn't be fixed with a conversation  
Your best day is my worst day, I get green like Earth Day  
You treat me like I'm born yesterday, you forgot my birthday  
You don't be scorin' perfect, you don't be workin' like how we be workin'  
You rappers platinum on hershey's like that shit be worthless  
You get the message over and over like it was urgent  
And then act like you ain't heard it when you see me in person  
The only thing I did to end up here was put the work in  
And did it with a purpose

Used to have secret handshakes to confirm my friendships  
Nowadays they just shakin' my hand to hide the tension  
A lot of people just hit me up when my name is mentioned  
Shout out to KD we relate we get the same attention  
It's rainin' money, Oklahoma City Thunder  
The most successful rapper 35 and under  
I'm assumin' everybody's 35 and under  
That's when I plan to retire, man it's already funded  
Yeah, I brought your wifey out to Saint Martin  
She violated, I sent her back where it all started  
How quick they are to forget about their bachelor apartment  
Leave it to niggas like you to show em' light in the darkness  
Told my Momma that I found a lady in the east  
Came cool when I got signed, upgraded the suite  
Don Julio in the freezer they gave us for free  
I get you all you can eat just have some patience with me  
You wouldn't tell me you loved me, started seein' Monique  
Last time I heard from Monique, T-Minus was makin' beats

I used to hit the corner store to get to [?]

Now the talk of the corner store is that I'm TBE

The best ever, don't ever question, you know better  
But shit ain't always how it seems when it's sowed together  
Yeah, I'll let that last line breathe, take a second to get it  
Weston Road flows, my confidence level gettin' settled  
Don't get hyped for the moment then start to back peddle  
Don't let your new found fame fool you or cloud up your judgement  
To talk loosely, I really do this  
Been flowin' stupid since Vince Carter was on some through the legs arm in t  
he hoop shit  
Drinkin' hypnotic with Glenn Louis I been through it  
Y'all was so afraid to lay claim to it  
To busy face screwin' on waste movements  
You had to ride TTC metro, I had the place boomin'  
First take Drake, I rarely have to take two it

(And they still take to it...)
