## Anything, Anything

Dramarama

Okay, what is it tonight? Please just tell me what the hell is wrong? Do you want to eat? Do you want to sleep? Do you want to drown? Just settle down, settle down, settle down

I'll give you candy, give you diamonds
Give you pills, give you anything you want
Hundred dollar bills
I'll even let you watch the shows you want to see
Just marry me, marry me, marry me

I'm so sick of you tonight You never stay awake when I get home Is something wrong with me? Something wrong with you? I really wish I knew, wish I knew, wish I knew

I'll give you candy, give you diamonds Give you pills, I'll give you anything you want Hundred dollar bills I'll even let you hear the songs I want to sing Because you married me, married me, married me Marry me, marry me, marry me

I was young, I learned a game That love and happiness were the same Now I'm older and I don't play I found out the hardest way

I got wasted, she got mad Called me names then she called her dad He got crazy and I did too Wondered what I did to you

I gave you candy, gave you diamonds Gave you pills, I gave you anything you want Hundred dollar bills I even let you hear the songs I want to sing I gave you anything anything

I'll give you anything, anything, anything
I'll give you anything, anything, anything
Anything, anything, anything
