

Whenever I'm With Her

Dramarama

Well I never want to fight
and I'm sorry that I bit her
but she always thinks she's right
and it makes me want to hit her
I don't want to scream and shout
I'd much rather hear her whisper
and it's all I think about

Whenever I'm with her

Well it wouldn't be so bad
if she'd tell me what's the matter
and I wouldn't get so mad
when I heard her vicious chatter
I hear voices in my ear
and I'm thinking with my zipper
but they always disappear

Whenever I'm with her

Well it wouldn't be so bad
if she'd tell me whats the matter
and I wouldn't get so mad
when I heard her vicious chatter
I hear voices in my ear
and I'm thinking with my zipper
but they always disappear

Whenever I'm with her
