

Back from the Dead

Dream Evil

Back from a furious
slaughter in pain
Trapped in this universe
completely insane
No more confusion
inside his head
Traveled through darkest hell
He's back from the dead
straight back from hell
His mission is obvious
evil and plain
Destruction for all of us
for his own gain
No absolution
from terror and dread
Nowhere to hide from him
He's back from the dead
straight back from hell
Maybe we're strong enough
to fight against his rage
Maybe we're strong enough
to live and tell the tale
He's back from the dead
straight back from hell
He's back from the dead
straight back from hell
(Solo)
He's back from the dead
straight back from hell
He's back from the dead
straight back from hell
Back from the dead
Straight back from hell
Back from the dead
Straight back from hell
Back from the dead
Straight back from hell
Back from the dead
(fade out)
