

## Back from the Dead

Dream Evil

Back from a furious  
slaughter in pain  
Trapped in this universe  
completely insane  
No more confusion  
inside his head  
Traveled through darkest hell  
He's back from the dead  
straight back from hell  
His mission is obvious  
evil and plain  
Destruction for all of us  
for his own gain  
No absolution  
from terror and dread  
Nowhere to hide from him  
He's back from the dead  
straight back from hell  
Maybe we're strong enough  
to fight against his rage  
Maybe we're strong enough  
to live and tell the tale  
He's back from the dead  
straight back from hell  
He's back from the dead  
straight back from hell  
(Solo)  
He's back from the dead  
straight back from hell  
He's back from the dead  
straight back from hell  
Back from the dead  
Straight back from hell  
Back from the dead  
Straight back from hell  
Back from the dead  
Straight back from hell  
Back from the dead  
Straight back from hell  
Back from the dead  
(fade out)
