

## Bad Dreams

Dream Evil

I dreamt I woke up in the middle of the night  
My heart was pounding like a drum  
The world was coloured, but I was in black and white  
It was the weirdest of all dreams  
That I have had  
A dream so bad  
I must be going mad  
Bad dreams  
Bad dreams  
Bad, bad dreams  
And then I woke up - At least that's what I thought  
Things would be normal again  
Opened my eyes and saw right through me in the mirror  
I must be going insane  
That I have had  
A dream so bad  
I must be going mad  
Bad dreams  
Bad dreams  
Bad, bad dreams  
Bad dreams  
Bad dreams  
Bad, bad dreams  
Bad, bad dreams  
Bad dreams  
Bad, bad dreams  
Bad, bad dreams  
Bad dreams  
Bad, bad dreams  
Bad, bad dreams
