

# Evilution

Dream Evil

It's time to be the man  
The man you've seen in your dreams  
It's time to make us stand up and leave  
Can't wait another day  
Got to be quick now a fall  
I swear to God to give it all  
Stand by me, eternally  
Forever more  
Forever more  
Evilution  
No matter who you are  
Evilution  
We're aiming for the stars  
Evilution  
To be or not to be  
Evilution  
Your heart belongs with us  
Your fate will fulfill our dreams  
It's time to realise, now believe  
The truths are gathered now  
Prepare, in the night we will strike  
I hope that God will heed the call  
Stand by me, eternally  
Forever more  
Forever more  
Evilution  
No matter who you are  
Evilution  
We're aiming for the stars  
Evilution  
To be or not to be  
Evilution  
Evilution  
If you don't like it you don't have to breath  
(Hey!)Satan!(Hey!)Kneel!  
Spit in your eyes with and unfulfilled dream  
(Hey!)Satan!(Hey!)Kneel!  
(guitar solo)  
(Yeeeeeeeeeeeeeeeeaaaaaaaaahhhhh!)

Evilution  
No matter who you are  
Evilution  
We're aiming for the stars  
Evilution  
To be or not to be  
Evilution  
Evilution
