Dream Evil

Fire! Battle! In Metal!  
I am your dark desire  
the one that comes with fire  
the one that gonna make you scream  
too late you will discover  
I'm much more than a lover  
I pay no fear your evil dream  
Now its time for  
Fire! Battle! In metal!  
I live for the metal  
Metal, screaming in Lightning  
I cry for the metal and die for the metal  
I am a Evil soldier  
The mighty most of warrior  
The one you wish you never seen  
I am the king of darkness  
You are staying homeless  
im gonna take your fast and clean  
Now its time for  
Fire! Battle! In metal!  
I live for the metal  
Metal, screaming in Lightning  
I cry for the metal  
When you think that is over  
you will wake up and feel my breath  
I will force you to feel the pain... again  
When the morning is broken  
you are falling down and out  
But i still will come back for more  
i am made for you  
you are made for me  
Fire! Battle! In metal!  
I live for the metal  
Metal, screaming in Lightning  
I Fight for the metal  
metal! fire! desire!  
you live for the metal  
you die for the metal  
Fire!  
You're my lover  
undercover  
You're my secret passion and I have no other  
You're Delicious  
So Capricious  
If I find out you don't want me I'll be vicious  
Say you love me  
and you'll have me  
In your arms forever and I won't forget it  
Say you miss me  
Come and kiss me  
Take me up to heaven and you won't regret it  
(Refrain)  
You are the one  
You're my number one  
The only treasure I'll ever have  
You are the one  
You're my number one

Anything for you 'cause you're the one I love  
You're my lover  
undercover  
You're my secret passion and I have no other  
You're a fire  
and desire  
When I kiss your lips, you know, you take me higher  
You're addiction  
my conviction  
You're my passion, my relief, my crucifixion  
Never leave me  
And believe me  
You will be the sun into my raining season  
Never leave me  
And believe me  
In my empty life you'll be the only reason
