

## In the Fires of the Sun

Dream Evil

I see the sun rise in the East  
My skin is touched by waning winds  
On this mountain we've survived  
Now the day has come for our last...  
Sacrifice...  
Sacrifice...  
In the fires of the sun  
We will burn as one  
On the pyres of the sunrise  
The smoke will part the skies  
We all now realize  
Like angels we've become  
I see the servants of two kings  
One for greed and one for woe  
They are ever-stained with blood  
But we are pure, we do not fear their...  
Law...  
Sacrifice...  
In the fires of the sun  
We will burn as one  
On the pyres of the sunrise  
The smoke will part the skies  
We all now realize  
Like angels we've become  
I can see, you will find the evil in your mind  
In the fires of the sun  
We will burn as one  
On the pyres of the sunrise  
The smoke will part the skies  
We all now realize  
Like angels we've become
