

Kingdom at War

Dream Evil

We stand here in silence
Ten thousand with weapons in hand
Brought out of violence
For freedom I gathered these men
We're riding on the wings of Odin
In glory we believe
A kingdom at war
Forever stand united
A kingdom at war
Together we gain ground
Fight in the war
Steel strikes like lightning
Bodies are twisted in pain
Although it's frightening
Our losses should not be in vain
We're riding on the wings of Odin
In glory we believe
A kingdom at war
Forever stand united
A kingdom at war
Together we gain ground
Just like a shadow we sneak up behind
Don't take no prisoners, it's killing time
We're riding on the wings of Odin
In glory we believe
A kingdom at war
Forever stand united
A kingdom at war
Together we gain ground
Fight in the war
