

## Kingdom at War

Dream Evil

We stand here in silence  
Ten thousand with weapons in hand  
Brought out of violence  
For freedom I gathered these men  
We're riding on the wings of Odin  
In glory we believe  
A kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain ground  
Fight in the war  
Steel strikes like lightning  
Bodies are twisted in pain  
Although it's frightening  
Our losses should not be in vain  
We're riding on the wings of Odin  
In glory we believe  
A kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain ground  
Just like a shadow we sneak up behind  
Don't take no prisoners, it's killing time  
We're riding on the wings of Odin  
In glory we believe  
A kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain ground  
Fight in the war
