

## On the Wind

Dream Evil

It seems to me you never learn  
Play with fire, you get burnt  
What's the reason for your sympathy  
Why don't you leave me alone  
I'm your dream, I'm the sky, I'm the sea, I'm the air  
that you breathe  
I'm the wind, I'm the sky, I'm the sea, I'm the wind  
You got all reasons feeling sad  
You got all reasons feeling bad  
Can't you realize I'm out of reach  
You'll never be the one for me  
I'm your dream, I'm the sky, I'm the sea, I'm the air  
that you breathe  
I'm the wind, I'm the sky, I'm the sea  
You'll never learn how to fly on the wind  
Just IN THE NIGHT, just in the morning light, way too  
tight  
You played with fire, you got burnt  
I turned my back, what have you learned  
Everybody wants a piece of me  
Everybody, stand in line  
I'm your dream, I'm the sea, I'm the air that you  
breathe  
I'm the wind, I'm the sky, I'm the sea  
You'll never learn how to fly on the wind  
I'm the wind, just IN THE NIGHT, I'm the wind
