Dream Evil

I'd sign a contract with the devil  
I've tried for so very long  
I'd die to become immortal  
That's why I sing this song

Am I a wannabe? Have I no dignity  
I'd give up all my life.. to be  
In the book of heavy metal (Metal!)

In life I have no religion  
Besides the heavy metal gods  
Wear nothing but black skin tight leather  
My skin's clad with metal studs

Am I a wannabe? Have I no dignity  
I give up all my life to be..  
In the book of heavy metal (Metal!)  
In the book of heavy metal

Some twenty years ago, the gods put down their feet,  
So firmly in to the ground that no man of sword nor pen,  
Could ever change the rules upon which  
The very fundament of metal was made

Read all about it, in the book of heavy metal  
Read all about it, in the manual  
Read all about it, in the book of heavy metal  
Read all about it! Yes, read it!

Don't need no flashy house, no car or ugly wife  
The only thing I want, is what my parents don't  
Need no widescreen TV, No, in all honesty  
The only thing I want to be (to be or not to be)

In the book of heavy metal! Metal!  
In the book of heavy metal! Metal!  
In the book of heavy metal -in life- Metal!  
In the book of heavy metal -to death- Metal!
