

# Matter Of Time

Dream Street

It's just a matter of, it's just a matter of  
It's just a matter of time  
Yeah...Ooh ooh ooh...  
It's just a matter of, it's just a matter of  
It's just a matter of time

I know you want to make things right  
To move ahead, find a way to win the fight  
And though it's hard to keep the faith  
We'll make it through if we take it day by day

They say that all good things  
Will come to those who wait  
And if we believe in each other (Believe in each other)  
I know we can make it together (Ooh ooh...)

Baby it's just a matter of time  
If we can take it slow everything will be alright  
Let it flow, and I know that we'll find  
It's just a matter of time

When you feel down and out of touch  
And no-one's there, no-one's there to lift you up  
Life's not as bad as it may seem  
Just hold on tight and never lose sight of your dreams

They say that all good things will come to those who wait (ooh)  
and if we believe in each other (Believe in each other)  
I know we can make it together (Ooh ooh...)

Baby it's just a matter of time  
If we can take it slow everything will be alright  
Let it flow, and I know that we'll find  
It's just a matter of time

It's just a matter of, it's just a matter of  
It's just a matter of time  
It's just a matter of, it's just a matter of  
It's just a matter of time

And if we ever lose our way (ever lose our way...)  
I know we can find a brighter day (find a brighter day...)  
There is no mountain (no mountain) we can't climb (ooh ooh...)  
It's just a matter of time

Baby it's just a matter of time  
If we can take it slow everything will be alright (alright)  
Let it flow (oh oh oh) and I know we can make it together  
'Cause baby it's just a matter of time (Woh oh)  
If we can take it slow (Take it slow) Everything will be alright  
Let it flow (Woh oh oh)  
And I know that we'll find it's just a matter of time

I know that we'll find it's just a matter of time
