

They Don't Understand

Dream Street

They don't understand

No

They say we're just playing games

That it isn't real

But it's what we feel

(Oh yeah)

And they say it doesn't make sense

That we're just wasting time

And they wonder why

(Yeah)

You know we got our own special language

That only we can speak

And parents never know just what it means

(Oh no)

They don't understand

How we communicate

Or so many things

That we do and say

They don't really get what it's all about

No they never can understand

Pokemon

I can't explain

If they don't know why

You see it's everywhere

Well, they must be blind

Pika - what? And geo - who?

It just doesn't prove

They don't have a clue

You know we got our own world to live in

And so far apart

(Oh yes we are)

To make it clear I don't know where to start

(Oh no)

They don't understand

How we communicate

Or so many things

That we do insane

They don't really get

What it's all about

No, They never can understand

Pokemon

No

You know we got our own special language

That only we can speak

And parents never know just what it means

(What it means)
What it means

They don't understand how we communicate
Or so many things
That we do insane

They don't really get
What it's all about
No they never can understand
Pokemon

They don't understand how we communicate
Or so many things
That we do and say

They don't really get
What it's all about
