

# Constant Motion

Dream Theater

Tunnel vision at blinding speed  
Controlling my thoughts, obsessing me  
Void of any uncertainty  
Throughout my very soul

Lost illusions of my control  
Resisting all hope of letting go  
Racing impulse of dark desire  
Drives me through the night

I try to shut it down  
It leaves me in the dust  
No matter what I've found  
I can never get enough

Frantic actions of insanity  
Impulsive laced profanity  
Long for elusive serenity  
Way out of my control

Traveling through both space and time  
(Out of body, out of mind)  
Out of control  
My wheels in constant motion

Spinning round and round it goes  
(I can't let up, I can't let go)  
Can't stop this flame from burning  
Forever more  
Into the night  
Blistering

Focus here, focus there  
Cannot see the light  
(Falling down through the night)  
Sprawling everywhere

Searching left, searching right  
(Panic setting in, I can no longer fight)  
When will this end?

Accelerate, dislocate  
(Set to crash and burn, haven't got time to waste)  
Not planning to return

Aggravate, agitate  
(When will I ever learn?)  
There's no way out of here

Nowhere to turn

Obsessive yearning  
Compulsive burning  
Still never learning  
Insane random thoughts of neat disorder

Scattered wasteland surrounding me

Tattered memories of what used to be

Apocalyptic mind debris

Until we meet again

Uhh!

Traveling through both space and time

(Out of body, out of mind)

Out of control

My wheels in constant motion

Spinning round and round it goes
