## **Dream Theater**

## Lie

Daybreak at the bottom of lake it's a hundred degrees I can't breathe And I won't get out 'til I figure it out Though I'm weak like I can't believe So you tell me 'trust me' l can trust you Just let me show you But I gotta work it out in a shadow of doubt 'cause I don't know if I know you

Doing fine but don't waste my time Tell me what it is you want to say You sin, you win, just let me in - hurry I've been out in the rain all day So you tell me 'trust me' I can trust you as far as I can throw you And I'm trying to get out of a shadow of doubt 'cause I don't know if I know you

Don't tell me you wanted me Don't tell me you thought of me I won't, I swear I won't (Did) I'll try, I swear I'll try (Lie)

Mother Mary quite contrary Kiss the boys and make them wary Things are getting just a little bit scary It's a wonder I can still breathe

Never been much of a Doubting Thomas but nothing breaks like a broken promise You tell me 'bout your two more coming but once is just enough for me

Don't tell me you wanted me Don't tell me you thought of me I won't, I swear I won't (Did) I'll try, I swear I'll try (Lie)

I had gotten used to being a soul destroyed She comes in apparently to fill the void All dogs need a leash and at least I'll forget it And she would never hurt me though she's never said it But I'm not gonna ask her today I don't wanna scare her away Your town, I'm all alone and I just can't stare at the phone I wanna talk about lifelong mistakes and you can tell your stepfather I said so

```
Don't tell me you wanted me
Don't tell me you thought of me
I won't, I swear I won't
(Did)
I'll try, I swear I'll try
(Lie)
```
