

# Prophets of War

Dream Theater

It burns deep down inside of me,  
We have ourselves to blame.  
Not questioning, accepted as the truth.

Debate this fight it's just cause  
The facts do not support theirs  
To liberate a people  
And rid them of tyrant rule

Is it time to make a change?  
Are we closer than before?  
Can we help them break away?  
Are we profiting from war?

It's time to make a change.

Intrigued  
Got your attention - deceived  
Since the inception - our brave  
Fight for what reason

Compelled  
Can we clean up this mess?  
The loss of loved ones  
A perverse request  
They continue the same rhetoric  
These derelicts that profit  
Win or lose

Is it time to make a change?  
Are we closer than before?  
Can we help them break away?  
Are we profiting from war?  
It's time to make a change

Time for change  
Fight the fear  
Find the truth  
Time for change

The only thing  
That I believe  
Will help us see this through is faith.  
Pray they will forgive,  
Forgive our arrogance,  
So we can make it right,  
Right what they have wronged.

See you sweat  
Unexpected, controversial  
Get used to it  
Things are gonna get personal  
Your sympathy  
A pitiful display you stutter  
Your empathy  
Means nothing if there is no honor  
Responsible

Of this you are incapable  
We implicate  
Incriminate - Exacerbate - Too much at stake

Our Fathers, Mothers  
Sisters, Brothers  
Sons and Daughters  
Forced  
Perpetuating their ideals  
A mindless act  
To stay the course

Is it time to make a change?  
Are we closer than before?  
Can we help them break away?  
Are we profiting from war?

Is it time to make a change?  
Are we closer than before?  
Can we help them break away?  
Are we profiting from war?  
Is it time to make a change?  
A change from what it's been  
Can we help them break away?  
Is our patience wearing thin?  
It's time to make a change

Time for change  
Fight the fear  
Find the truth  
Time for change
