Dream Theater

Morning breaks  
Beyond the night  
If she is worlds away

Through crowded streets  
This quiet hooded stranger makes her break

"Please excuse me;  
Sir, can you help me?  
Where can I find this man?"  
"Sorry, can't speak, someone is waiting"  
"Yes, I understand."

As her will starts to fade  
And all but disappears  
Like a ghost, suddenly a boy standing there  
And all is clear  
"I'm your friend, trust me, don't be scared.  
I am looking for your father, and I promise I can help.  
Now take my hand, we haven't time to spare."

Hopeful and innocent  
Sensing no danger  
He sees humanity  
Behind the stranger's eyes

Her true identity  
Will be revealed when she sheds her disguise

My intentions are faithful  
There's a chance we can still end this game  
I'd be forever grateful  
To see him once again

"You dare to stand  
before my eyes!  
You're one of them  
Why would I trust you?"

"It's not like that!  
I can't go back  
Hope fades away with each passing second"

Lost in this moment  
Is where I want to stay  
This can't be broken  
We need to find a way

Gabriel, I would wait a lifetime  
Just to see your face  
But all we have is one more day

I remember your father was moved by my song  
I know when he sees we're united, then he'll understand  
We will walk this road together  
We will face this hand in hand  
With music and love on our side

We can't lose this fight

Tomorrow our dream comes alive  
Comes alive
