

## Scene Nine: Finally Free

Dream Theater

You are once again surrounded by a brilliant white light.  
Allow the light to lead you away from your past and into this lifetime.  
As the light dissipates you will slowly fade back into  
consciousness, remembering all you have learned.  
When I tell you to open your eyes you will return to the present,  
Feeling peaceful and refresh.  
Open your eyes Nicholas.

Friday evening  
The blood still on my hands  
To think that she would leave me now  
For that ungrateful man  
Sole survivor  
No witness to the crime  
I must act fast to cover up  
I think that there's still time  
He'd seem hopeless and lost with this note  
They'll buy into the words that I wrote  
This feeling  
Inside me  
Finally found my love  
I've finally broke free  
No longer  
Torn in two  
I'd take my own life before losing you

Feeling good this Friday afternoon  
I ran into Julian  
Said we'd get together soon  
He's always had my heart  
He needs to know  
I'll break free of the Miracle  
It's time for him to go  
This feeling  
Inside me  
Finally found my love  
I've finally broke free  
No longer  
Torn in two  
He'd kill his brother if he only knew  
Their love renewed  
They'd rendezvous  
In a pathway out of view  
They thought no one knew  
Then came a shot out of the night  
"Open your eyes, Victoria"

One last time  
We'll lay down today  
One last time  
Until we fade away  
One last time  
We'll lay down today  
One last time  
We fade away  
As their bodies lie still  
And the ending draws near

Spirits rise through the air  
All their fears disappear  
It all becomes clear  
A blinding light comes into view  
An old soul exchanged for a new  
Familiar voice comes shining through

This feeling  
Inside me  
Finally found my life  
I`m finally free  
No longer  
Torn in two  
I learned about my life by living through you  
This feeling  
Inside me  
Finally found my life  
I`ve finally broke free  
No longer  
Torn in two  
Living my own life by learning from you  
We`ll meet again my friend  
Someday soon

"... their lead story,  
all anticipating the outcome of the man considered to be a member of America  
n nobility.  
And as you can imagine, as the skies have grown darker  
here over Washington,  
The moon has grown darker as well and people here are  
beginning to resign themselves to the possibility that they are  
witnessing yet another tragedy in a long string of misfortunes.  
Reaction from everywhere, from Washington and certainly  
from around the world has guess..."

"Open your eyes, Nicholas'"

"AAAH!"
