

# Take the Time

Dream Theater

Just let me catch my breath...  
I've heard the promises  
I've seen the mistakes  
I've had my fair share of tough  
breaks  
I need a new voice, a new law,  
a new way  
Take the time, reevaluate  
It's time to pick up the pieces,  
Go back to square one  
I think it's time for a change

There is something that I feel  
To be something that is real  
I feel the heat within my mind  
And craft new changes with  
my eyes  
Giving freely wandering  
promises  
A place with decisions I'll  
fashion  
I won't waste another breath

You can feel the waves coming on  
(It's time to take the time)  
Let them destroy you or carry  
you on  
(It's time to take the time)  
You're fighting the weight of  
the world  
But no one can save you this  
time  
Close your eyes  
You can find all you need in  
your mind

The unbroken spirit  
Obscured and disquiet  
Finds clearness this trial  
demands  
And at the end of this day sighs  
an anxious relief  
For the fortune lies still in his  
hands

If there's pensive fear, a  
wasted year  
A man must learn to cope  
If his obsession's real,  
Suppression that he feels must  
turn to hope

Life is no more assuring than  
love  
(It's time to take the time)  
There are no answers from  
voices above

(It's time to take the time)  
You're fighting the weight of  
the world  
And no one can save you this  
time  
Close your eyes  
You can find all you need in  
your mind

I close my eyes  
And feel the water rise around  
me  
Drown the bear of time  
Let my senses fall away  
I can see much clearer now,  
I'm blind

Find all you need in your mind  
If you take the time
