

War Inside My Head

Dream Theater

Napalm, napalm, napalm showers
Showed the cowards
Weren't there to mess around

Heat exhaustion
Mind distortion
Military victory mounted on innocent ground

Hearing voices from miles away
Saying things never said
Seeing shadows in the light of the day
Waging a war inside my head

War inside my head

Years and years of
Bloodshed and warfare
Our mission was only to get in and kill

A free vacation
Of palm trees and shrapnel
Trading innocence for permanent psychotic hell

Hearing voices from miles away
Saying things never said
Seeing shadows in the light of the day
Waging a war inside my head

Feeling strangers staring my way
Reading minds never read
Tasting danger with each word I say
Waging a war inside my
