Come come come again

Ludi

Ludi

Ludi oooh ludi

Come come come again

Hop me come on jah!

My mother wanted me to make another song

Something brand new so she could dance to, too

So this one's dedicated to no other than my mother

My father my sisters and my brother

Or you could say the families or better yet the families or what a sec, what the heck, this one's for Jamaica

Africa

Dominique

Trinidad and Tobago

St. Kitts, Bermuda

Antigua, St. Lucia,

St. Maarten, and do not forget Muts land

Aruba, Grenada, Guyana and Cuba

St. Vincent, Angola

Bahamas, Puerto Rico,

Dominican Republic and Rio

Martinique and Guadalupe,

And Virgin Islands, truly

This one is for my mother,

When we were playin' ludi

Ludi

Ludi

Ludi oooh ludi

Come come come again

Ludi

Ludi

Ludi oooh ludi

Oh so you want to learn how to play ludi

So you have to get this man around a board

Its similar to game they call Sorry!

But if I was playing Sorry! I would be so sorry

Sometimes I might sound confusing

Yes, but in the end I am sure you will find

That makes my style original from the rest

That's why you call callout "Rewind!"

Now that means to take you back to the top to start up again

That means the song is a 10 out a 10

That means to "come come come again!"

And me and you are now friends

And my partner says I am very bombastic

In rap but ask me I don't know what it means

Well I don't communicate because the generation gap

So mommy "yuletide see!" i'm just playin' ludi

Ludi

Ludi

Ludi oooh ludi

Come come come again

Ludi

Ludi

Ludi oooh ludi

Hop me come on jah!

Hop me come on jah!
