dredg

We made the most of it,
So i won't cry anymore.
We gave it our best shot,
But it wasn't enough,
So we closed the door.
And you'll go back to florida,
While i stay here...
Here in the cold.
We'll keep in contact,
Even if only by
A few telephone calls.

Why did you fall,
Why did you fall away?
It breaks me to know
That it had to end this way.
I'm tearing myself to pieces
Remembering you.

And i held on tightly
To what we had
And i'm not letting go.
You made this decision
All by yourself,
And let me here alone.
And i begged forgiveness,
But i don't understand
What pushed you away.
We knew this was coming
For so very long
We made mistakes.

And all the words you said to me
They never meant anything
You would look into my eyes
And tell me everything was fine.
And i would wait for you always
But now this love has flown away
You took everything.
