It Only Took a Day

Think we know Oblivious though Unified clones Sit like stones Up on thrones Of fool's gold Looking bold But all alone Restore our needed shelter Sitting sideways Something deep Wading water Pants at my knees Fading with growth Lie awake Buried stones All alone Restore our needed shelter Our flawless endeavors To be alone To be alone Sitting sideways Something deep Wading water Passing my knees Sitting sideways Something deep Wading water Pants at my knees Fading with growth Lie awake Lie awake Lie awake
