

Lechium

dredg

Yes take time
To realize what you have
Yes i did
But suspended
And now i hang
Beneath the ground that we have made
For us
To walk on.

See me now
Crawl away, crawl away
See me now
Crawl away

Yes take time
To realize what you have
Content
But descended
And now i swim
Beneath currents of hope and faith
Now it is time
To surface.

??

See me now
Crawl away, crawl away
See me now
Crawl with me
Belive me now
Crawl away, crawl away
Come crawl with me
