

# Damn Right I've Changed

Drew Seeley

Hey what's goin' on? this is Drew, I can't answer the phone right now,  
please leave a message and I'll call you back  
Hey it's been a while, and I've been thinking about you, and I sent you a message,  
so check your email and call me back

Naked pictures to my phone  
You think that I can't resist  
Tell me that you're all alone  
You now there's someone I'm with  
You're outta control, you're outta my mind  
You're wasting your breath and wasting my time  
She's got it all  
She's my desire  
I'm not gonna fall back into the fire

Damn right I've changed, I won't play your games  
Thank for noticing, maybe you should do the same  
Just deal with the fact there's no turning back  
Stop the sabotage, you can't run my train off the track  
Remember just how it felt, wasn't good, it was great  
But where the physical stops, you don't give like you take  
I'm learning from my mistakes  
You're damn right I've changed

She's something I've never known  
So now I don't reminisce  
'cause I was good on my own  
But now I'm great, ain't nothing better than this  
Now I'm in control, I've opened my eyes  
No reason to look back I'm living my life  
She's got it all, she's my desire  
I'm not gonna fall back into the fire

Damn right I've changed, I won't play your games  
Thank for noticing, maybe you should do the same  
Just deal with the fact there's no turning back  
Stop the sabotage, you can't run my train off the track  
Remember just how it felt, wasn't good, it was great  
But where the physical stops, you don't give like you take  
I'm learning from my mistakes  
You're damn right I've changed

Looking for someone to blame but it's never gonna be the same again  
nothing like I used to be, now I'm better

it's Drew, what are you doing? You know I'm with somebody  
yes we had something but it's done now, don't call you again bye

You're damn right I've changed, I won't play your games  
Thank for noticing, maybe you should do the same  
Just deal with the fact there's no turning back  
Stop the sabotage, you can't run my train off the track
