

# Dance With Me

Drew Seeley

Follow me into my world  
Let your worries fade with every step you take  
Baby, whatcha waiting for?  
Let the tango take control

Feel the music inside your soul, whoa  
My hand is out  
Just grab a hold

(Watch the time just fade away)  
Watch time fade away  
(My arms will keep you safe)  
My arms will keep you safe

(It's just you and me)  
Girl, it's just you and me  
(Dancing in this dream)  
Dancing in this dream

Whatever you do don't wake me up  
I know the feeling's real  
I won't let it stop, no

Don't be afraid, take my hand  
Forget the world  
Will you dance, dance with me?  
Pudemos bailar eternamente

Trust in me, take a chance  
Feel the tango  
When you dance, dance with me  
Pudemos bailar eternamente

Now I have you next to me  
Everything is how it should be, oh yeah  
Baby, don't fight the feeling

We're floating on the clouds  
If I could I'd never come back down, no, no  
Baby, just keep on groovin', groovin'

(As time fades away)  
As time fades away  
(My arms will keep you safe)  
My arms will keep you safe

(It's just you and me)  
Girl, It's just you and me  
(Dancing in this dream)  
Dancing in this dream

Whatever you do don't wake me up  
I know the feeling's real  
I won't let it stop, no

Don't be afraid, take my hand  
Forget the world

Will you dance, dance with me?  
Pudemos bailar eternamente

Trust in me, take a chance  
Feel the tango  
When you dance, dance with me  
Pudemos bailar eternamente

Dance with me  
(I'm dancing with you)  
For this moment in time  
(My dreams have come true)  
My darling, just dance with me  
If only one night

Don't be afraid, take my hand  
Forget the world  
Will you dance, dance with me?  
Pudemos bailar eternamente

Trust in me, take a chance  
Feel the tango  
When you dance, dance with me  
Pudemos bailar eternamente
