

Find Yourself

Drew Seeley

Yeah, yeah, ooh, yeah, yeah
There's when you find yourself

When you find yourself in some far off place
And it causes you to rethink some things
You start to sense that slowly you're becoming someone else
And then you find yourself

When you make new friends in a brand new town
And you start to think about settling down
The things that would've been lost on you
Are now clear as a bell and you find yourself
Yeah that's when you find yourself

When you go through life
So sure of where you're heading
And you wind up lost
And it's the best thing that could've happened

'Cause sometimes when you lose your way
It's really just as well
'Cause you find yourself
Yeah that's when you find yourself

When you meet the one that you've been waiting for
Oh when she's everything that you want and more
You look at her and you finally start to live for someone else
That's when you find yourself
Yeah that's when you find yourself

When you go through life
So sure of where we're heading
And you wind up lost
And it's the best thing that could've happened

'Cause sometimes when you lose your way
It's really just as well
'Cause then we find ourself
Yeah that's when you find yourself

That's when you find yourself
That's when you find yourself
Yeah that's when you find yourself
