

Join The Party

Drew Seeley

This is the invitation
And it's all happening right here
You can feel the music that we're playing
And good times meant to me shared

Everybody getting on the dance floor feeling the groove
And if you wanna have a lot of fun it's all waiting for you
Everybody make a little noise get it going on
And listen to the DJ playing you favorite song

Join the party
(clap your hands)
What you waiting for now
It's a party
Gonna have some fun
Join the party
Get a little crazy
It's a party
Everyone

Crowd getting bigger by the minute
And looks like things are heating up
And now you've got your ticket
And once you stop you never stop

Everybody getting on the dance floor showing the moves
And if you wanna have a good time it's all love for you
Everybody make a little noise let me hear you scream
If you're looking for the hot stop, this is the place to be

Join the party
(clap your hands)
What you waiting for now
It's a party
Gonna have some fun
Join the party
Get a little crazy
It's a party
Everyone

Alright now fellas we're gonna show the girls how it's done
Do do do do do dooo
Do do do do do dooo

Now girls when you hear that answer back
Shoo do do do do do dooooo
Shoo do do do do do dooooo

Join the party
(clap your hands)
What you waiting for now
It's a party
Gonna have some fun
Join the party
Get a little crazy
It's a party
