

# Perfect

Drew Seeley

Don't you know,  
I've been looking for this for so long this for so long  
And I don't care  
If it all falls down and I'm proved wrong, I'm proved wrong  
But you can't polish love  
Just a diamond in the rough  
But what I see I know it's more than enough

It ain't gotta be perfect, perfect  
But I know that we're worth it, worth it  
If you're [?] (focusing?)  
The strength in us if we believe  
It ain't gotta be perfect, perfect  
Take a chance just scratch the surface  
Cause you will find  
If you give it time we could be perfect, perfect, so perfect

Now we can't stop  
Every time we hit a bump in the road  
Don't want to turn home  
Cause what we've got  
Is a million people's searching their souls  
For what we already know  
And the lesson that we should learn  
Love's a game of give and take  
Let's lay it on the line this time and not just run away

It ain't gotta be perfect, perfect  
But I know that we're worth it, worth it  
If you [?] (focusing?)  
The strength in us if we believe  
It ain't gotta be perfect, perfect  
Take a chance just scratch the surface  
Cause you will find  
If you give it time we could be perfect, so perfect, we could be perfect  
You know, you know, you know

It's imperfect and I know  
We just learning as we go  
Tryna reach back to the start every time we pull ourselves apart  
Just remember the words I've said  
It ain't gotta be perfect

It ain't gotta be perfect, perfect  
But I know that we're worth it, worth it  
If you [?] (focusing?)  
The strength in us if we believe  
It ain't gotta be perfect, perfect  
Take a chance just scratch the surface  
Cause you will find  
If you give it time we could be perfect

It ain't gotta be perfect, perfect  
But I know that we're worth it, worth it  
If you [?] (focusing?)  
The strength in us if we believe  
It ain't gotta be perfect, perfect

Take a chance just scratch the surface  
Cause you will find  
If you give it time we could be perfect, so perfect, we could be perfect
