

# Fucked For Life

**Driller Killer**

One side of reality  
Murder rape n'misery  
Fucked for life - by mother nature  
Fucked for life - by our creator

Times are changing and so am I  
Another day, another lie  
Fucked for life...

Take my hand, do not fear  
Let's go outside, we don't belong in here  
Fucked for life...

War...sickness...radiation....  
A hell on earth... starvation...  
World quake.. HIV.. fucked for life.. brutality
