

God Forgives

Driller Killer

It's simple, it's angry, it's right in your face
Unfakeable, unbreakable, through brutalized ways
Continues to struggle from down below
At times I don't know who's friend or foe

God forgives... I don't!

Another pc acting sleazy, carrothead and anarchist
Another victim, afuckinddicted to a 2nd coming of Christ
Another slogan, a fashion showgun, rebellion overload
Wipe your ass n' blow your nose, get off the fucking road

God forgives... I don't!
