

Ruled By None

Driller Killer

Bonded by blood, a united force
Angels of hell, there's no remorse
Big brother's watching, every night n' day
The shadow riders are here to stay

Ride as one - Ruled by none

Disciples unbound where ever u are
Knights in armour, prepared for war
Hair is blowing in the cold wind
Summon the troops, the system can't win

Ride as one - Ruled by none
