

# Erase Me

Drist

A millions reasons  
To live in such frustration  
So much tension  
And you don't know why

It's easy to fall down  
In such contemption  
Loss of control  
'Cause I can't say goodbye

Forget me  
I can't remember anything  
About us  
Erase me  
Erase me  
Then wipe the tears  
And move on

Thinking back  
When I was lost without you  
Dying slowly  
As it burned  
Don't say a word  
I know what you're thinking  
Don't stay sinking  
'Cause we won't say goodbye

Forget me  
I can't remember anything  
About us  
Erase me  
Erase me  
Then wipe the tears  
And move on

I've lost all control  
Following you down  
Lost all control  
Following you down  
And holding goodbye

Forget me  
I can't remember anything  
About us  
Erase me  
Erase me  
Then wipe the tears  
And move on

Forget me  
I can't remember anything  
About us  
Erase me  
Erase me  
Then wipe the tears  
And move on
