

O Pencil Sharp

Drive Like Jehu

O' pencil sharp, pencil dull
Pencil drag, pencil pull,
Gonna pencil poke ya' to the floor
Gonna pencil fuck, gonna pencil whore,

O' pencil vulture, pencil dove
Pencil kisses, pencil love,
Pencil drop, down from above
Spittin' pencil bullets pencil slugs...

Yeah...

O' pencil now, pencil then
Long before ya had a pen,
Gonna stab and stick man, gonna pencil gore,
O' pencil get the response, the one he looking for

To erase is of no avail, pointy pencil will prevail,
Slippery the pencil slide, swiftly the pencil sail.

C'mon won't ya pencil me...
