Human Interest

You set it up, you set it right, it's fair enough. al'right: if i want a loan, if i wanna trespass. why should i walk when you've got wheels. when i'm

In doubt, when i'm in debt, when i'm in deep at your expense. then i owe you.

I owe you. i owe. i'd never make you suffer, i know that wouldn't do, and that ain't practical, and i ain't through. when what i got needs fixing, when i

Want something new, i know i'm covered with you. your're my human interest.
