

## Are You Happy

Drop Dead, Gorgeous

Are you happy?  
You got what you wanted  
I'm lucky, I'm here with my someone  
My everything.  
You'll bleed to death on me  
You're a ten when you are lying next to me  
Heavy breathing  
Are you happy? you got what you wanted  
You're winter, I left you for summer  
My everything, you'll bleed to death on me
