

# Take Away The Sun

Dropbox

If I could take away the sun  
And steal the light from everyone  
Then you'd all be forced to see  
What the world looks like to me

I believe  
You will see  
I believe monsters in me  
I believe  
You will see  
I believe  
Monsters in me

Sometimes it feels like number one  
But Half the time i'm feeling numb  
It hard to show you how i feel  
When Everything is so sereal

The good inside completely drained  
As I wake and scream your name  
Distant voices sing in tune  
Howling choir under moon

If I could take away the sun  
And steal the light from everyone  
Then you'd all be forced to see  
What the world looks like to me

Take away the sun  
Take away the sun
